

# ENERGY INFORMATION

## **Greetings from Glenn 1 st November 2005.**

The Mother earth Consciousness and Daughter Consciousness have said their good byes and the Daughter Consciousness moved out through the Southern Pacific, to embody the Asteroid belt (between Mars and Jupiter) the separate asteroids will eventually become a planetoid. The event of leaving the Mother Earth for the Daughter Consciousness, occurred about 2:45pm EST on the 31<sup>st</sup> October 2005, (I originally thought she would leave on the 1<sup>st</sup> November 2005).

The Photon energy wave has passed us and now we are in a quiet time. The next energy wave will engulf us late December and be with us longer perhaps until late November 2006. By this time the majority of the humans that are to move into the next millennium will have shifted their structure to the crystalline form allowing us to survive the high frequency energy of the Gas nebula (Photon Belt).

An event occurred last Thursday the 27<sup>th</sup> October 2005 between 8:30 am to 8:50 am EST, the human race moved into its next stage of re-awakening.

I perceive that humans have 20 intuitive fields that regulate our understanding and awareness; fields that receive knowledge via our surroundings, with the Universe - other parallel universes etc. On Thursday approximately 30 percent of the human race was permitted to open a further 50 intuitive fields that were closed for 8,000 years. These intuitive fields were closed to us when the attack of the Negative Beings occurred at that time a barrier was placed between our universe and the other parallel universes to stop entry of these negative beings. The Negative Energy Races manipulated humans for 8,000 years. Now that these Negative Energy Beings are no longer in our physical universe, the parallel universes are now safe and accessible; and we can again enjoy a happy communion of life as we did in the past.
